

RYC '08 (Reformed Youth Conference)

RYC '08: Next Steps

1. Review the Mission Statement, Brief History & Approach and Camp Philosophy overview to become more familiar with RYC (Reformed Youth Conference).
2. Distribute brochures and registration forms to your high school and middle school students and display the flyers if appropriate and desired. (*This includes those entering 6th grade and those who have just finished 12th grade.*)
3. Encourage the campers and parents to visit the web site at www.lsopc.org/ryc to gather more information on RYC.
4. Ensure that the students mail in their registration forms by **June 2nd** to secure a spot at RYC '08.
5. Speak to individuals who may be willing and able to serve as Counselors, providing a copy of the informational packet as appropriate. Please note that if counselors are not available to send with your students, we would ask that your church consider making a donation to RYC to offset the cost of us supplying additional counselors as necessary. *Counselor expenses are not included in camper costs and we rely on your support in providing the staff or the ability to bring the staff required.*
6. Counselors should return the form by **June 2nd** in order that we may provide more detailed information to them concerning the camp and their role.
7. Non-refundable deposits of \$50 for students and counselors are due by **June 2nd**.
8. The remaining balance of \$265 (\$315 total less the \$50 deposit) is due at check-in or may be mailed in prior to camp.

Note: If students and/or counselors and staff are committed to coming to RYC '08, please encourage them to send in their information as soon as they are able. Planning is certainly helped by early responses. Thanks!
